Planning Ahead

By planning ahead, you'll save your next of kin and loved ones the stress of trying to second-guess what you would have wanted for your funeral.

This booklet will help you to guide your loved ones in the organisation of your funeral, ensuring it reflects what is important to you and your family. They'll find great comfort in knowing your funeral is carried out the way you would like.

Please remember that funeral wishes are not enforceable after you die. Therefore it's always important to discuss your wishes with the people who matter beforehand. Make sure they know what you would like to happen and that they know where this booklet is kept.

A funeral is an occasion for your family and friends to express their grief and celebrate your life, so fill in as much as you feel able to. If you would like to nominate us as your funeral director, feel free to send us a copy of your wishes and we will store them also.

Should you wish to pre-pay for your funeral, we offer funeral plans. Please contact us for further information or to make an appointment.
